

THANK YOU EDITION 2011

New Leash on Life

Serving Pets, People, and Communities

Because of the tremendous response to the CHS plea for funds for continued operation, this newsletter will be primarily devoted to acknowledgements. Our next publication will introduce a new format, along with animal features and CHS updates.

A Very Special Note of Thanks

Last May the CHS made a public plea for funds for continued operations. The response to that plea has truly been overwhelming, beyond that which could ever have been anticipated. Hundreds of individuals, groups, businesses, and the media have come forward with help in so many needed and vital areas. That response has allowed the CHS to enjoy an accelerated realization of some of its goals and objectives that have been put forward in its new long range plan. **It is tremendously gratifying to witness the results the compassion of so many who love pets. It is the animals who are benefiting.**

The incredible amount of donations received has allowed the CHS to significantly exceed the goals that were originally set. There were also numerous fundraisers that were done and that continue in an effort to help the animals. Several of those doing fundraisers have offered to do them on an annual basis.

Multitudes of people have come forward offering services of all types. The ability to take advantage of donated services assuredly helps to defray expenses and helps to enhance the effectiveness of our efforts to help the animals.

The addition of numerous volunteers has helped immensely. Donations of supplies and equipment have made an outstanding impact. Increased adoptions have made a tremendous difference.

The efforts of the media promoted the need for funds over several months. It has been that public awareness that has sustained the response for help.

We sincerely regret that space limitations prohibit the acknowledgement of each contribution. The constraints of the size of this article and the space limitations of this edition prohibit comprehensive and specific acknowledgement. Please refer to the "In Appreciation" section of this newsletter to view some of the donations. In future newsletters, we will acknowledge more specifically and completely the help received and those providing the help.

The CHS express its heartfelt appreciation to everyone, who has come forward to help at a most critical time. To witness the love and compassion for animals by so many is overwhelming. Thank you for caring.

Santa Paws

The CHS 2011 Santa Paws event will take place at the shelter on Sunday, December 4 from noon until 4 p.m.

The public is invited to bring their pets to the event to have their picture taken with Santa Claus. Digital pictures are \$10.00 each with the proceeds going to help homeless pets. There will be a contest with prizes awarded for the smallest pet, largest pet, cutest pet, most unusual pet and the pet with the best costume.

The event will also offer free door prizes, refreshments, and an open house. Please plan to join us for Santa Paws 2011.

Additional Holiday Events

The CHS Christmas merchandise sale begins Friday, November 25 and runs through Friday, December 23. There will be Christmas gift giving items available in the CHS store located off the main lobby.

The CHS will be accepting donations of pet food and cat litter at the shelter and also at Pet Supplies Plus on South Airport Road in Traverse City. The CHS is asking for donations of Purina (regular formula) cat and kitten food or dog and puppy food. Those items are most compatible with the diets of shelter animals. Thank you in advance for your help.

Tree of Lights

Honoring or remembering a special person or pet during the Christmas truly captures the spirit of the season. The Tree of Lights event begins on Thursday, December 1 and ends on Friday, December 23. For each \$10 donation made either in honor or in memory of a pet or person, a light will be lit on the Tree of Lights located outside at the main entrance of the shelter. In addition, a special display located in the main lobby will include the names of the individuals or pets being honored or remembered, plus the names of the individuals providing the lights. When submitting your donation, please indicate whether the one who the light is for is a person or a pet. Please also indicate whether the donation is an in honor or a memorial. Thank you in advance for your participation.

The Cherryland Humane Society wishes to express its deepest appreciation to all of those individuals, groups, and businesses who did fund raising activities on behalf of the work of the CHS and in response to its plea for funds for continued operation. The number of activities was overwhelming and we may have missed acknowledging some activities in this newsletter. Please advise us if we have missed your event and we will acknowledge it in our next newsletter. We sincerely apologize for any oversight.

In Appreciation

The following is a list of donors of all monetary types contributing \$50.00 or more to help to provide care for the many homeless pets received by the shelter annually, and to help the CHS to continue over 25 programs designed to provide vital and significant help for pets. Space Limitations prohibit the listing of every contribution, but each donation is deeply appreciated. Where names are listed more than once, those individuals made multiple donations. The names of Memorial, In Honor, and Gifts; Donate A Brick; Day Sponsors; and Tree of Lights do not appear here, but are recognized in the appropriate section of this newsletter. Donors submitting donations received from November 4, 2010 through October 22, 2011 are as follows:

Because of the overwhelming response to the Cherryland Humane Society's plea for funds for continued operation, we may have missed acknowledging some donations of \$50.00 or more. We apologize for any that have been missed. Please advise us if we have missed your donation and we will ensure that it will be acknowledged in our next newsletter.

The Cherryland Humane Society wishes to express its heartfelt appreciation to all individuals, groups, and businesses who gave to the CHS in such a sacrificial way to help the animals and to ensure continued operations. The compassion and concern for pets that has been demonstrated is phenomenal!
THANKS TO EACH OF YOU FOR CARING.

A Christmas Giving Plea

The CHS is tremendously grateful for the overwhelming response to its plea for funds last May. It is that response that has allowed the CHS to continue its mission on behalf of homeless pets.

It is our hope that we will be able to receive our normal Christmas donations that we are so dependent upon. We ask your consideration for continued help during the holiday season. Holiday giving is an important supplement as we end the current year and continue into the first quarter of 2012.

Funds received will help shelter animals in so very many ways. We often think of homeless and needy individuals during the Christmas season. We also wish to remember homeless and needy shelter animals during this wonderful season. If the animals could speak, we know that they would, along with us, thank you.
